One of the features of this camp was that the lane oiling pattern that was going to be used for the CTF Provincial Tournament, was put down for this practice. It was an opportunity for the athletes to experience this oiling pattern and for the coaches to introduce and help them negotiate it, tactically. Of course, there was extra work on spare-making, and at the end, a competitive Scotch Doubles format game so that they could put what they had learned to practice in a “real” scoring environment.

This was the first time that we had run a youth camp at this point in the season, and with this express purpose. We don't believe it will be the last time.

BASIC BOWLING SKILLS CLINIC

*The **MANITOBA TENPIN FEDERATION** is offering basic bowling skills training clinics for novice bowlers.*

The clinic is conducted by a N.C.C.P. fully certified coach and will address **bowling stance, approach, grip, release, equipment, one-on-one instruction**, as well as other components to improve your game.

Two types of clinics are offered:

2 hour clinic for \$10.00

6 hour clinic for \$30.00

A clinic can be organized for a group of 6 - 12 bowlers and can be held at the bowling centre that best accommodates your group.

If you have a group of interested bowlers or would like your name added to our waiting list, contact the Manitoba Tenpin Federation office at 925-5705.

They decided to roughly model the tournament format after the Professional Bowlers Association Masters – one of their major tournaments. There would be 4 qualifying games, and then the top 16 would compete in a match-play knockout-style format.

Each match would be a two-game total pinfall – the winner moves on and the loser is knocked out of the tournament. They limited this first attempt to a maximum of 32 players – and they ended up with 31 bowlers competing to become the champion.

The Tournament Manager – Domingo – had decided ahead of time that the oiling pattern would not be the normal “house shot”, but instead a pattern known as USBC White #1 – which is a little less forgiving than most house patterns, but nowhere near the difficulty of a “Sport shot”.

After the 4 qualifying games, the cut-line to make the top 16 was 831 (an average of just under 208). And then the match-play portion began, with qualifier #1 bowling against qualifier #16, #2 vs #15, and so on.

After 3 rounds of match play, it came down to the finals – Tereck vs Mike Schmidt – playing their match on lanes 13 & 14. Tereck, a left-hander, was fairly steady on both lanes, but Schmidt (right-hander) struggled for much of the match on lane 14, unable to successfully negotiate the notorious “hang spot” on that lane. Tereck won the two-game match, 429 to 406, securing his place in Manitoba Masters history!

MANITOBA OPEN

JANUARY 14-15, 2017 - CHATEAU LANES

The 36th Manitoba Open took place on Jan. 14th and 15th at Chateau Lanes with 72 entries from across Canada as well as several Midwestern states – North Dakota, South Dakota, Minnesota and Wisconsin.

After 10 games, the top 24 had been decided, and they would be returning the next morning to compete in the match-play portion of the tournament. It took a +54 to make the cut – a 205.4 average on the Abbey Road oiling pattern. The top qualifier was **Wade Scott** who bowled a +319 for his 10 games with a 231.9 average!

Sunday's match-play finals consisted of 8 games plus a stepladder finish for the top 5. On Sunday, Scott stayed hot, rolling a 300 game in his 5th match, winning all 8 of his matches, and averaging 237 for those 8 games! He qualified for the stepladder finals in the #1 position. The rest of the top five qualifiers were: **Andy Mills (last year's champion)** in 2nd, **Matt McNiel** in 3rd, **Mitch Hupé** in 4th, and **Zach Wilkins** in 5th.

In the first stepladder match, **Wilkins** edged out **Hupé** 194-188. **Wilkins** then beat **McNiel** 232-200. In the 3rd match, **Mills** defeated **Wilkins** by a score of 225-203.

So **Mills** moved up to play **Scott**, the #1 seed, for the title, knowing that he's have to defeat Scott twice in order to repeat as champion. In a close match, Mills had a chance to put some pressure on Scott in the 10th, but he left a pocket 4-9 split, which he couldn't convert. **Scott won the match 203 - 193.**

Manitoba Bowlers was created to share information with the rest of the bowling community who might not want all the information posted on the Winnipeg Tenpin Bowlers group.
