Greater Winnipeg Classic League

November, 2010

As we mentioned in the last newsletter, the league decided to use some special lane oiling patterns for this season, instead of the standard easier "house shot". Well, we've done this for 10 weeks now, and the reviews are "mixed". For the first 5 weeks, we used an oiling pattern called "Middle Road", and the league averaged 183 during this time, which is significantly lower than the league had averaged the previous season on the house pattern. And for the 2nd 5 weeks, we used the pattern known as "Broadway", and the league averaged 189 during this period, a little better, but still a far cry from the previous season's average. This drop in average shows just how demanding a more difficult oiling pattern can be. Although many people will tell you that "it's just a number", it still is a difficult pill for some to swallow when your average drops anywhere from 5 to 25 pins. I give credit to the Classic League bowlers for sticking it out – for continuing to challenge themselves, and for not giving up. This experience can only help make the league members even better than they already were. We are now beginning our next 5-week segment on the "Beaten Path" oiling pattern. After the 15 weeks, trying all 3 oiling patterns, the league will be in a position to evaluate the successes (and failures) of this experience. Remember, if you want to learn more about these oiling patterns, you can visit www.kegel.net, and search in the Lane Patterns area of the website.

The league consists of 10 teams and we bowl on Friday evenings at Chateau Lanes. As of Nov 12th, our league average to date is 186.3. Our awards and top 5 averages so far this season are:

Steve Snyder	Oct22	3-game series of 729 (258,235,236)
Erick Tagle	Oct29	3-game series of 726 (296,212,218)
Erick Tagle	Oct29	11-in-a-row (296)
Erick Tagle	Oct29	100+pins game over average
Marshall Nykoluk	Nov05	3-game series of 761 (278,206,277)
Marshall Nykoluk	Nov05	Clean Series (4 games)

Top 5 averages:

Blair Chaban	210
Dan Tereck	210
Lynne Gauthier	205
Lucien Casagrande	204
Nestor Valette	202

Winnipeg Senior Men's League November, 2010

This scratch league bowls on Tuesday evenings at Laverendrye Lanes and consists of eight 3-person teams. It is a fun competitive league with some innovative ideas, such as bowling 4 games per night, shifting one pair to the right each game, so that everyone bowls on every lane each night. As well, we end off with two "Baker Games", which is a chance for teams' members to join forces in order to bowl two team games.

As of Nov 16th, the league average is 197.

Our award scores and high averages are:

John Catalan	Oct19 3-game series of 704 (232,236,236)
Sharon Tataryn	Nov02 3-game series of 763 (278,269,216)
Gord Tereck	Nov02 Clean series (4 games)

Our top 5 averages:

Mike Schmidt	223
Gord Tereck	221
Dan Tereck	212
John Savage	212
John Catalan	208

The league's weekly results are posted at www.bowl.com. Once there go to the "Leagues" tab and then click on "League Standing Sheets". After 5 games of hot and heavy competition, Winnipeg ended up with the highest total pinfall plus handicap. **The totals were:**

Winnipeg – 8696 Brandon – 8631 Dauphin – 8249

Highlights Around The Lanes

Paul McCarthy, a local Winnipeg bowler, rolled his first-ever 300 game on Saturday, Nov 30th, in our annual Hi-Low Doubles tournament. It was his 2nd shift (yes, he had qualified in two leagues for this tournament), and he bowled games of 216, 247, and then his 300, for a series total of 763. And yes, he and his partner, **Bob Marentette** came in 1st. Interestingly, Paul does almost all of his bowling at his “home lanes” – Laverendrye Bowl. But this tournament was held at another centre – Chateau Lanes.

✱

Monday, October 4th was a special day for **Al Sylvestre**, bowling on lanes 13 and 14, in the Laverendrye #1 league at Winnipeg’s Laverendrye Lanes. He rolled his first ever 800 series! He started out with a 256, then rolled a 299, leaving a 10-pin on his 12th shot. And in his final game, he needed a strike on his fill ball in the 10th frame for a 245, and an 800, right on the button. Other than **Michael Schmidt** (but he’s in a separate class of his own), no one has rolled an 800 series at the centre in a little over 10 years. *Congratulations, Al!*

✱

Each year on Remembrance Day, there is an annual event – **The Hal Ross Doubles** tournament – that takes place at Laverendrye Lanes. For **Clem Perreault**, the 2010 event was a special one. In his very first game of the tournament, Perreault rolled his first-ever perfect game. After rolling another milestone – an 800 3-game series – many years ago, Perreault had been waiting for this moment to arrive. To have accomplished both of these feats in a career is pretty special.

✱

Our youth bowlers are lighting up the lanes this season !

On September 27, at Laverendrye Lanes, in her Monday night youth league, **Danielle Lemoine** rolled her 2nd 700 series of her career.

She had games of 223, 245, and 238, for a 706 series.

On October 3rd, at Chateau Lanes, in his youth league, **Mitch Hupé** rolled games of 264, 258, and 235 for an awesome 757 series.

On November 7th, in his youth league, **Joe Franchewski** rolled an 11-in-a-row game of 297. He’s come close to that perfect game quite a few times (he’s had three 299 games). It’s only a matter of time.

Why?

Being able to play a sport and have fun while developing crucial life skills is something that many children and families take for granted. KidSport kids need recreation in their lives perhaps more than most, because it gives them something to aspire to when life is limited by family finances.

How To Apply

KidSport raises funds through corporate donations, foundation grants, planned giving and special activities and events. Funds that are raised help offset the cost of participant registration fees for community based sport programs. Funding is administered by Sport Manitoba's Regional Offices.

Application deadlines for all regions are **April 30th** and **October 15th** of each year. Winnipeg Region and Westman Region also have an additional application deadline of **July 15th**.

Based on demonstrated need, assistance of up to \$300 per individual is available to children between the ages of 5 and 18 to help offset the cost of registration fees. Provincial Sport Organizations must recognize planned activities.
