

Michael Schmidt

2012 Manitoba Open Champion

Michael Schmidt

Michael Schmidt had another stellar weekend at Chateau Lanes on January 7-8/12, capturing his 4th Manitoba Open championship since 2007. Schmidt was solid the whole weekend, dipping under the 200 mark only twice (*with scores of 194 & 198*) and leading the pack after Day 1 with an average of 230 (*High Game 278*) and 222 on Day 2 during the twelve game Match-Play (*High Game 247*) with an additional 200 earned bonus points to qualify in 2nd place for the roll-off finals.

In the roll-offs, Schmidt pounded out games of 248, 234 & 229 to secure the title (*see pages 14 - 16 for results*).

Great Bowling Mike !

Brittany Crawford

First-Ever 700 Series.....2 of Them!

Brittany Crawford

Some of us "old-timers" have a saying: "Once you get the first one, the rest come easy!" Well, this could be the case for **Brittany Crawford**, who bowled her first 700 series ever, on Jan 29th, in the Adult-Youth doubles tournament held at Chateau Lanes. Her first three games of the day were 226, 234, and 245, for a **705 series**. Her performance was key to helping propel her and her doubles partner - Vince Solimka - to the stepladder finals in the tournament, where they also bowled well, but ended up in 2nd place.

And then, exactly two weeks later, Brittany bowled another 700 series - this time in her Chateau Seniors League, on Feb 12th. She had games of 206, 221, and 278 for another **705 series** !!

I have a feeling that we'll be hearing a lot more about Brittany's bowling achievements - and probably in the very near future!

Congratulations Brittany !!

32 Donovan Alexander Heart Bowl

Donovan Alexander with the Heart Bowl

The 3rd annual Heart Bowl took place on Feb 25th at Laverendrye Lanes. For those of you who don't know what this is, let me fill you in.

Donovan Alexander, a 26-year-old professional football player (currently with the Edmonton Eskimos), teamed up three years ago with the ***Variety Club of Manitoba***, and Laverendrye Lanes, to initiate a bowling-themed fundraiser for the charity. To date, they have raised over \$10,000 through this event.

When asked why he chose to do this, Alexander had a simple answer – ***"I owe my life to Variety"***. That's a strong statement that begs further explanation.

Alexander was 18 months old, it was discovered that he had been born with two aortas and that one of them was wrapped around his windpipe. It was predicted that he would not survive for more than a few months. He needed an operation. Because his breathing was affected, he was not allowed to fly to Toronto. With financial help and support from Variety, a surgeon with the proper expertise was flown in to Winnipeg, and Alexander's problem was fixed.

When Alexander was old enough to understand what Variety had done for him, he became one of their biggest supporters, and dedicates himself to giving back to the charity. The Heart Bowl was just another way to do that.

This event has been successful every year, with every lane having 5 or 6 bowlers. Everyone is given one "warm-up game", and then a one-game competition takes place to see which team can win the (coveted) Heart Bowl trophy. And in conjunction with the bowling, there is a silent auction (which had terrific prizes by the way), which is yet another fun way to raise funds for the charity. So who was the big winner? Well, that's obvious - the Variety Club, and all of the children that they help!

Thanks go out to La Verendrye, the organizers, volunteers and all the bowlers for their participation & support.

Greater Winnipeg Classic League

Nov 25 - Feb 24, 2012

Credit goes to the bowlers of this premiere scratch league for voting to continue with our use of the "more challenging" lane oiling patterns for the season. Thanks go out to Chateau Lanes for providing these different patterns for us on Friday nights.

Even though the tougher oiling patterns have reduced our league average, compared to using the standard "house shot", we still have strong competition, and we get the benefit of improving our skills at the same time.

As of Feb 24th, our **league average to date is 188**

Our **awards** for this period are:

Robbie Scerbo	Nov25	11-in-a-row(290)
Catlin Crandall	Jan13	702 series (277,223,202)
Rob Dufreane	Jan20	Clean series

Top 5 Averages:

Rob Dufreane	206
Lynne Gauthier	205
Lucien Casagrande	205
Gord Tereck	204
Clem Perreault	204

The league's weekly results are posted at www.bowl.com.

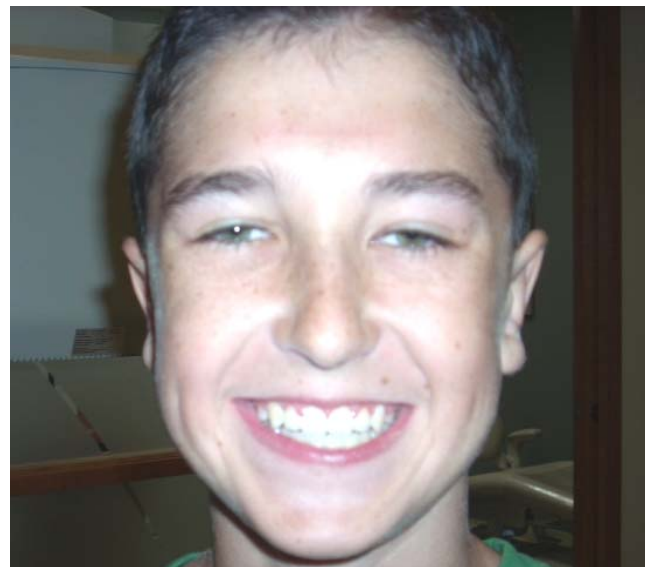

Once there click on the "Leagues" tab and then click on "League Standing Sheets".

Then enter our league id of "4120" and click on the Search button. You are then asked to provide the week number of the league standings you want to see.

Austyn Ducharme

First-Ever 700 Series!

Austyn Ducharme,

Austyn Ducharme, who is only 13 years old, has just shot his first-ever 700 series, on **November 19th**, while bowling in the MBA Youth Annual Tournament, at Chateau Lanes.

When I asked Austyn about it, he couldn't quite remember his game scores. Whew! That's when you're in a zone! <grin>. But he did remember that he was using his *Spitfire* the whole time.

I wanted to know if he was nervous at the end, and his story blew me away. He didn't even realize he was that close until it was all over. So nerves never even came into play. Thank goodness that he got a strike in his fill ball, because that gave him **EXACTLY 700** for the series!

Way To Go Austyn !

Manitoba Tenpin Federation Advanced Youth Training Program

By popular demand, the Youth Development Program returned and saw the inclusion of Bantam and Prep Bowlers this year. This was a result of the grassroots clinics that have been held before and when asked if the athletes and parents would support such a program. The answer was an overwhelming yes, so we added it.

This year there are 20 athletes in this program up from 12 last year. This program is structured in a fun, learning atmosphere with an emphasis on some basics, and some drills and also some strategy.

"This is a program where you will do things you have never done on a lane before" was how the program was structured. So with some of the props being skipping ropes, baby blocks, tongue depressors, dice and foam tiles, Mr. Clean rubber gloves, only to mention a few, bowlers come with an eager anticipation as to what they will learn next. Did we mention the "hockey stick?"

"The purpose of this program is to give our youth bowlers an opportunity to not only develop their game, but to also enjoy the fun and excitement of coming to the lanes and being with their bowling friends. These bowlers now see bowlers from other houses on a regular, weekly basis and not just a yearly tournament or two. Many times we have to tell our athletes that the session is over, they do not want to leave. This is a very positive move in taking our youth program in the right direction." states Head Coach **Darren Naylor**. The other coaches in the program are **Brian Kokolsky** and **Richard Nose**.

"Also, this an excellent opportunity for entry level coaches to get there feet wet in coaching without the fear of making mistakes. Once they see and feel this excitement in our youth, they will become better coaches at their league level and who knows, maybe one day at the provincial level. We also must develop our youth coaches as well as our younger athletes if we are going to continue to be a province to contend with at the National level and having programs like these, will hopefully give all parties access to their development. As for parents of these athletes, it is also important that they see we value their selection of our bowling program to enroll their athlete in. It is our job to ensure that they continue to see not only the value of this selection but that we intend to give their athlete every opportunity to succeed."

Also an integral part of this program was to have the youth involved in some of decision making. This usually takes the form of the final game that is played at the end of the night. These games have taken the form of a Survivor style format to even a game of Golf on the lanes. The prize is a Tim Hortons Gift Card at the end of the night, but really they are all winners.

These athletes have seen their games get better at the league level and also at the tournament level. Parents are consulted if their athlete is enjoying the camp, and the comments we receive are very positive. "He will not miss bowling Tuesday nights" one parent states, and "loves coming to the lanes." Other comments were, "we finally found something that he enjoys doing."

It is this excitement that we look forward to holding another Development Program in the fall. This one will be of a 20 week nature. So lets leaver nothing to spare, if you have an athlete in our Youth Bowling Program and would like more information on the program, please consult your Head Coach at the your league, because when it comes to youth bowling in Manitoba..... *"That's how we roll !! "*

NOTE: The MTBCA will be hosting a 1 day **Youth Development Camp** on March 28th.

Good Bowling in Woodbridge, Team Toba !!

Manitoba Youth – World Cup

Newsflash!! Recently here in Manitoba, Canada again made an appearance at the World Cup. *Mike Schmidt* was defending his title in Johannesburg, Africa and *Lynne Gauthier* just returned from her competition in Hong Kong!

We saw this as another opportunity, not only to celebrate the fact that we have two local bowlers on Canada's National Team, but also to educate our younger bowlers that our sport is played worldwide. So while the World Cup was being played in Africa, we had our own version of the World Cup here in Manitoba.

The goals of this tournament were threefold:

1. Have fun, and participate in a tournament during league play.
2. Make the bowlers more aware of what their average is and how their current score compares to it.
3. Educate our younger bowlers about other countries that also play the same sport

We had two Divisions – Male and Female. Every bowler was assigned a country, and given that country's flag.

There was a four-week qualifier that was based on the most "pins over average". Each week a chart was displayed to show the "cut line" and each bowler's current position - much like the real World Cup.

We decided that the top 24 would "make the cut". These bowlers would then play in a match play elimination format, using their weekly league scores, which were calculated using series plus handicap. This gave bowlers that do not have the opportunity to experience a "little pressure" on the lanes, a chance to experience it firsthand.

After several more weeks of competition, there were only two bowlers (countries) left in each Division. For the Finals, the bowlers and their countries were announced. Then they were marched onto the lanes, flanked by *Lynne Gauthier* and *Mike Schmidt*, along with the World Cup trophies (the two that Mike had won).

Also in this presentation was *Danielle Lemoine*, a Winnipegger who has represented Canada on the international stage and was a bantam bowler not that long ago. So with World Cups on display and flowers ready to be presented, the final matches took place. And the winners were: In the Female Division, USA and in the Male Division, United Arab Emirates.

Next year, we will be discussing ways to make this more of a provincial tournament.

Next on tap for our youth bowlers will be two tournaments, based on "reality TV shows" and for our novice program, it will be off to outer space, where we will be having our Spring Break Camp based on SPACE.

"May your game be with you"

That is it from Manitoba....That's How We Roll !!

On the fivepin side, the men were the big winners over the ladies by 39 points. Their effort gave the overall House Championship to the men. However, on the tenpin side, the ladies were victorious, whipping the men by just 19 pins.
