Coaching Association of Canada and Petro-Canada

2013 Petro Canada Coaching Excellence

October 02, 2013

**Michael Boroskae**

On behalf of the Coaching Association of Canada and Petro-Canada, Team Canada Coaches **Michael Boroskae** and **Tyrel Rose** were selected as recipients of the 2013 Petro-Canada Coaching Excellence Award for their athletes' medal-winning performances this year.

**Michael Boroskae**, of Winnipeg, Manitoba, coached Canada for ten years from (1985 to 1995) and during that time, coached both men and women to numerous medal showings, but the most memorable are Canada's first World Masters gold medal in 1991 with Catherine Willis, and a gold medal in the Trios discipline with Ann Saasto, Jane Amlinger and Catherine Willis. Again, under the leadership of Boroskae, Canada emerged with another first, a gold medal in 1993 with Sandy Lowe winning the North American FIQ Masters and the women's team brought home seven medals. From 1995 to 1998, Michael pursued a coaching position with Singapore International Coaching Program, and as Director of Coaching improved the National Ranking for the Sport of Tenpin Bowling from 20th place in 1995 to "Top Sport" for Singapore by 1997.

Michael has been at the helm of the Canadian women's team since 2010 and the women have won medals in both the 2011 and 2013 World Championships. In 2013, he also coached the Inaugural Senior World Championships this year in Las Vegas where the team emerged with two Bronze and one Silver medal.

# CHATEAU LANES HAPPENINGS

The **Chateau Classic Singles Tournament** is now joined with the MCBA to host this inaugural scratch singles tournament of the year. The tournament features the shot to be used in the Manitoba Open – “Beaten Path”. This is a 5 game singles tournament with a stepladder and the cost is \$70.00. Posters are up at all bowling centres or check out the Chateau Lanes website or MCBA website for further information.

The **Manitoba Open is scheduled for January 4<sup>th</sup> and 5<sup>th</sup>, 2014**. A schedule has been posted at Chateau Lanes and on our website with dates and times that “Beaten Path” will be available for practice.

Anyone that pays for their Manitoba Open entry fee is eligible for the reduced rate for practice at \$1.25 per game. You must pay your entry fee before you get this rate and this deal is in effect until December 20<sup>th</sup> only.

## **Boxing Day Doubles Handicap Doubles Tournament.**

**Chateau Lanes at Noon on December 26<sup>th</sup>**. Doubles can be 2 men, 2 women or a man and a woman. You play two games against an opponent with points for the game win and then total win. There are 5 games of qualifying matches and then your top 5 compete in a stepladder format with 5<sup>th</sup>, 4<sup>th</sup> and 3<sup>rd</sup> playing off at the same time with the winner moving on to play the 2<sup>nd</sup> place and 1<sup>st</sup> place doubles. This tournament has proven to be very popular and is a great way to relax and avoid all the Boxing Day shoppers! Call Chateau Lanes to reserve your spot or leave your names with our desk staff.

**January is Knockdown Cancer month** for Bowling Centers across Canada. Chateau is participating in this event and will be selling merchandise and donating \$0.25 cents from shoe rentals during the month to this Cancer event.

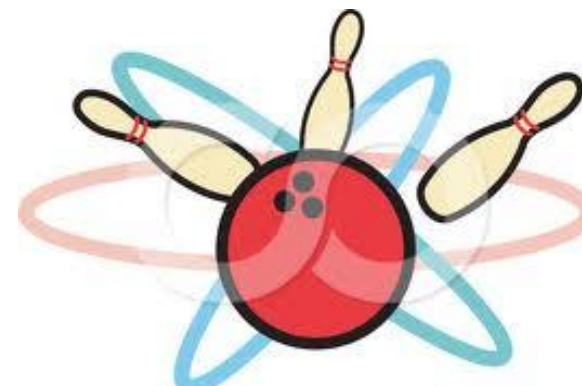

For the 3<sup>rd</sup> year in a row, Chateau Lanes is running our **“30 Frame Game Pledge Drive Tournament” on January 25, 2014 at 2:30 pm**. Participants collect pledges for this event and then bowl 1 complete frame on each of our 30 lanes. Top Pledger prize is a pair of Jet Tickets as well as lots of other prizes for all participants. ## Las Vegas is in the Zone - South Point Hotel, Casino & Spa

Las Vegas is in the zone – bowling-wise, that is – thanks to a new agreement signed by the United States Bowling Congress with the Las Vegas Convention and Visitors Authority as well as a huge investment by the **South Point Hotel, Casino & Spa** to build a world-class bowling facility.

The LVCVA announced a 12-year deal with the sport’s prestigious governing body to host the USBC Women’s Championships in 2016, 2020 and 2022 and the USBC Open Championships in 2017, 2019, 2021 and 2023. Plus, during the term of this arrangement, more than 40 additional tournaments, conventions and short-term events (like the USBC Masters, USBC Queens, USBC Senior Masters and USBC Team USA trials) will also be held here.

“We look forward to strengthening the partnership over the next decade and becoming the premier destination for USBC events,” said Rossi Ralenkotter, president and CEO for the LVCVA, about the relationship that began four years ago when Las Vegas hosted the USBC Open Championships at Cashman Center from Feb. 21 to July 24, 2009. Although these upcoming USBC events will take place citywide, most of the action will occur in the \$30 million bowling arena that is to begin construction this month at the South Point. Spread over two stories, it will have 60 lanes and boast the latest in bowling technology. A concourse with a tournament registration area, a bowler’s squad room and modern locker facilities are also in the works.

The arena-style venue will be separate from the resort’s existing 64-lane bowling center, which is popular with casual and amateur players. Due to these recent developments, competition is sure to heat up with the northern part of the state. Reno, which is home to the 363,000-square-foot National Bowling Stadium with 78 championship lanes, has been a force to be reckoned with when it comes to attracting tournaments. But now Las Vegas is getting ready to become one of the country’s beloved bowling destinations.

## First Career 300 Game

Last Season, **Denis Marinelli** bowled his first career 300 game during league play at Laverendrye Lanes, in the Winnipeg Senior Men's league.

The lefty is the son of **Dick Marinelli Jr**, a long time bowler and big supporter of tenpin bowling in Manitoba, and, he is the grandson of **Dick Marinelli Sr**, who was not only a great local bowler, but was involved in the organizational and administrative side of things as well - he was involved in forming the Canadian Tenpin Federation, the Manitoba Provincial Bowling Association and was also instrumental in organizing the Manitoba Junior Bowling Association.

## First 800 Series

**Doug Ross** achieved a milestone when he rolled his first 800 series of his career. On April 7th, he rolled games of 290, 289, and 257 for an 836 series, in his Sunday Nite Mixed league at Chateau Lanes. As it turns out, this was the highest 3-game series of the season in Winnipeg!

Congratulations Doug!

## One in a Million?

I'm not sure of the odds of this, but one-in-a-million might be close!

On Monday, Sept 30th, in the Laverendrye #2 league, **Joan and Ed**

**Halama** (yes, husband and wife), bowling on the same team, had identical game scores for each of their league games, and to top it off, in the same order! They both rolled games of 130, 126, and 127. I hope they bought a lottery ticket that week! **What a Start!**

## Out of the Gates Blazing

On Sept 3rd, **Dan Tereck** had his best start to the season - ever! On the first night of bowling in the Winnipeg Senior Men's league, in his 3rd game of the night, Tereck rolled a perfect game (his 7th in his career). Tereck was pretty proud to hold the league "high game of the season", all alone. But that only lasted 2 weeks! On Sept 17th, **Mike Schmidt** rolled a 300 game, AND, an 804 series for his first 3 games, AND, a 1040 total for the 4 games. This is even more impressive, when you consider that we change pairs of lanes after each game!

## 2013 World Games

### Cali, Columbia

L-R: Lynne Gauthier (Coach Tyrel Rose) Dan MacLelland

The Mixed Doubles event had an exciting finish for US and Canada fighting for Gold and Silver. It came down to the 9th and 10th frames....The U.S. team of Kelly Kulich and Mike Fagan finished with Gold and Canada's **Lynne Gauthier** and Dan MacLelland settled for Silver. This is the first time the U.S. had won Gold at the World Games. Mexico finished with the Bronze. Congratulations Dan & Lynne....Great Bowling!

The World Games provided a unique setting for thousands of athletes from different sports and countries to join in a celebration of unity and friendship across all boundaries. **Lucien Casagrande** shot a 300 on November 23<sup>rd</sup>, 2013 in the Saturday morning Golfers League.

## Season to Remember

**Mike Schmidt** (*above*) had a season (2012-13) to remember in the Winnipeg Senior Men's league. At the year-end awards dinner, Mike's name was mentioned often, as he won every individual award. High Average - 239.99 (one pin shy of a 240 average), High Series - 1075 (we bowl 4 games per night), High Game - 300 (he had two), and Most Improved - 12.9 pins higher than the previous year. In the 25 weeks that he bowled, he only rolled under a 900 series once, and threw over 1000 five times! His achievements are even more remarkable when you consider that in this league, we switch pairs every game - you never bowl on the same pair of lanes twice in a night. Great job Mike!

# Manitoba Athletes Collegiate Bowling Bound

Since Canadian Universities and Colleges do not offer any athletic scholarships for Tenpin Bowling, a large majority of the top youth in this sport (Tenpin Bowling) are being scouted by US Universities and Colleges. A very smart move by the US schools, they have expanded their recruiting to include a full range of international players.

Our Manitoban youth bowlers have made quite the impression with the Collegiate coaches in the USA. There have been several youth bowlers that have received scholarship awards to attend school and participate at the Collegiate level on the bowling teams. This coming school year, three of our athletes are competing for the following institutions:

**Urbana University - Brittany Crawford**

**Wichita State - Mitch Hupe'**

**William Penn - Stephanie Adams**

*Congratulations and the best of luck both on and off the lanes!*

**BOWLING HALL OF FAME OF MANITOBA INDUCTEE**

Peter Klassen long-time Winkler Volunteer and Bowling Proprietor from 1978 to 2008 and was inducted under the *Certificate of Appreciation* category for his continued & unwavering dedicated service to the Winkler region and Manitoba. Klassen assisted on several committees & in the hosting of many tournaments, in addition to taking on various duties as needed, as well as promoting the growth & development of the sport of tenpin bowling through the implementation of several Winkler programs and coaching services throughout the years.

Klassen began bowling in 1974 and still continues today.

## Len Howell

### BOWLING HALL OF FAME OF MANITOBA INDUCTEE

**Len Howell** was inducted under *Meritorious Service* category for his 33 years & counting of dedicated service on the Brandon Tenpin Bowling Association to the development of our sport for both youth & adult bowlers from League to Provincial Level.

In this volunteer capacity, he served and continues to serve in many areas: coaching, as league secretary, hosting tournaments for the BTBA and as a MTF board member, in addition to working on several committees.

Howell began bowling in 1974 and still competes in 2 leagues at Thunderbird Lanes.

CTF usually tries to schedule this event in conjunction with National Volunteer Week (April 21-27 this year), which is a great time to recognize and celebrate the incredible efforts of all our volunteers. Canadian Tenpin Federation volunteers make a tremendous contribution in bowling communities across the country. They make our bowling communities resilient and our sport vibrant.

### CTF Annual General Meeting

CTF held its Annual General Meeting in Winnipeg on Saturday, April 27th. Delegates from across the country were in attendance to see and hear the latest information from the organization. Every CTF Director, each of which has specific responsibilities, reported on their activities and the status of various projects that they and their committees are working on. Delegates also had the opportunity to ask questions, and discuss any aspect of the Director's report.

CTF's financial picture, both last fiscal year's results and this coming year's budget, were presented. All in all, things are pretty healthy - approximately where we thought we'd be. That's good news.

The Delegates learned that CTF is moving forward with the development of new Membership Processing software, to replace the current PBM program. If things go well, it may be ready for implementation this Fall.

Another major item that takes place at the AGM is our Elections. This year, the three Directors whose 3-year terms were ending, were Cathy Innes, Jim Lester, and Joe Nunes. The candidates who submitted their nominations were Cathy Innes (BC), Jim Lester (ON), Bill Martin (MB), Brian McMaster (ON), and **Ron Molinski** (MB). After two rounds of voting, congratulations go to Cathy Innes, Brian McMaster, and Ron Molinski, who began their 3-year terms as CTF Directors, on August 1st.

As well, the CTF Board elected their officers for the coming year. Brian Von Richter will be our new President, **Dan Tereck** will be the First Vice-President, and **Ron Molinski**, the Second Vice-President.

Since 2004, Cathy Innes has been the President of CTF. Effective July 31st, Cathy will be retiring from that role. We are pleased that Cathy will remain as a CTF Director.

# CTF Report

**Lucien Casagrande** retired as a CTF National Coach at the beginning of the 2012-13 season.

## The CTF Connection now has a Facebook page!

The Connection has set up a Facebook page; **CTF Connection “Keeping Bowlers Connected Coast to Coast.”** Look up the page next time you are on Facebook and “like” it. We update often with stories of bowlers around the country.

---

CTF is testing a **new Membership Processing software program** this summer, and if all goes well, it will be implemented across the country for the 2013-14 season.

---

At the **CTF AGM** in April (held in Winnipeg), 3 CTF Director positions were up for election. Cathy Innes was re-elected, and elected to the other two positions were Brian McMaster (from Ontario), and our own **Ron Molinski**. Their 3-year terms started on August 1st.

As well, the **CTF Board elected their Officer positions** (once again, starting on Aug 1st) - they are President - Brian Von Richter (Sask); First Vice-President - **Dan Tereck** (MB); and Second Vice-President - **Ron Molinski** (MB).

## CTF Canadian Mixed Championships Winnipeg - April 25-28, 2013 (by Dan Tereck)

The 2013 version of the Canadian Mixed Championships (CMC) took place in conjunction with CTF's Annual General Meeting, held in Winnipeg. Chateau Lanes was the host centre and once again, did a terrific job. The last time this event was in Winnipeg was in 2008, and at that time, Winnipeg achieved the record for the most ever entries in the CMC. Winnipeg held that record until 2011, when Kelowna surpassed it. Winnipeg's goal this year was to regain that record, but unfortunately, they fell a bit short, having achieved a total of 439 entries.

## Wanda Howard 2012 MTF Volunteer of the Year

**Wanda Howard** was recognized as the *2012 MTF Volunteer of the Year* for her many contributions and dedicated service to our bowling community throughout the 2011-12 season. Howard is the President of the Winnipeg Tenpin Bowling Association, Director on both the Manitoba Bowling Association and Manitoba Tenpin Federation boards.

Her devoted efforts in the hosting countless tournaments throughout the season and in the operation of the WTBA contributed greatly to the enjoyment and development of our bowlers.

### *Thank You Wanda!*

Also at the Annual Awards Brunch, the **Manitoba Bowling Association Provincial Performance Awards** were also presented (*see pages 16 - 17*).

## Austyn Ducharme Shoots 300 Game

The 2013 Canadian Youth Championships will always be remembered by Junior bowler **Austyn Ducharme** (*above*) of Manitoba. During the second day of competition, Austyn bowled a 300 game on the 39' WTBA lane oiling pattern named "Seoul". A great accomplishment indeed! This was Austyn's very first perfect game. And what a time and place to do it! When asked about how he was feeling before throwing the last shot, Austyn said "I was nervous a little until Gavin made me laugh before I threw my last shot, then I lost my nerves, I was settled and ready to go. It was a great feeling after the game was done!"
