The 5 W's of

Who?

KidSport is a national children's charity designed to help children overcome financial barriers so that ALL kids can participate in sport. KidSport Manitoba accepts financial donations as well as used sports equipment.

What?

KidSport assists with sport registration fees and provides equipment to qualified applicants who otherwise could not afford to play. Since 1993, KidSport Manitoba has raised over \$2,100,000 and assisted over 15,000 children in Manitoba. In 2009, KidSport Manitoba assisted 1,518 children with over \$287,000.

When?

KidSport conducts various fundraising activities throughout the year in order that we have sufficient funds to help as many children as we can.

Where?

KidSport has chapters in 7 regions of the province. Due to lower population levels, some regions are at a disadvantage when it comes to fundraising ability, which is why we have to pull together at a provincial level to ensure we raise the funds we desperately need.

Why?

Being able to play a sport and have fun while developing crucial life skills is something that many children and families take for granted. KidSport kids need recreation in their lives perhaps more than most, because it gives them something to aspire to when life is limited by family finances.

How To Apply

KidSport raises funds through corporate donations, foundation grants, planned giving and special activities and events. Funds that are raised help offset the cost of participant registration fees for community based sport programs. Funding is administered by Sport Manitoba's Regional Offices.

Application deadlines for all regions are **April 30th and October 15th** of each year. Winnipeg Region and Westman Region also have an additional application deadline of **July 15th**. Based on demonstrated need, assistance of up to \$300 per individual is available to children between the ages of 5 and 18 to help offset the cost of registration fees. Provincial Sport Organizations must recognize planned activities.

See the KidSport website for more information, application forms and procedures www.kidsportcanada.ca

A clinic can be organized for a group of 6 - 12 bowlers and can be held at the bowling centre that best accommodates your group.

Notice the teams bowling attire - *Looking Spiffy*. Also, see the smaller 5 pin balls on the bottom rack; Since Pin-Boys were used until the late 1950s instead of automatic pinsetters, they could change-out the pins to accommodate either game. This was a practice utilized by most centres in Canada in order to serve the needs of different types of bowling enthusiasts.

Q - When was the Winnipeg Women's Bowling Association (Now WTBA) established?

A - The WWBA was formed in 1949.
